

Colossus Q²

General information

Ocean Nutrition is very proud to present a brand-new, top-of-the-line product called COLOSSUS!

Ocean Nutrition's engineers, nutritionists and fish food professionals have poured the expertise they've gathered throughout the many years into this EXCLUSIVE, high-end type of freshwater fish food.

COLOSSUS is a range of large-sized slow-sinking pellets (Q2-range) and fast moist absorbing floating sticks (X2-range) carefully engineered for freshwater fish species such as Arowana's, Cichlids, Catfish, Rays, Pleco's, Oscar's and any other type of giant freshwater species.

Both products GUARANTEE a solid growth, sparkling health and vivid colours on your fish. A true must-have for any serious aquarist!
