

Frozen Angel Formula

General information

A delicious Frozen Formula Food, specially formulated for marine Angelfish.

This premium blend contains their primary natural food, namely marine sponges, which we combined with fresh seafood, oyster meat, scallop roe, fresh seaweed, ... to create a natural balanced diet.

Instructions for use: push out the required amount of cubes into a recipient. Let them defrost, without water, at room temperature during minimum 10 to 15 minutes before feeding. Your fish should be fed 2 to 5 times a day, only feed the amount that your fish will consume within 5 minutes.
